Attendees: Ananth, Eppa, Smitali, Taarun

Time: 3.55 -4.10 pm

Topic: Timeline, Resources for Turbo Codes, Task distribution

Discussion(it is not time wise as did not know of submitting MoM earlier):

We talked about the resources we found and decided to go through this doc for complete understanding of Turbo Codes. And meanwhile see if we find any good videos on turbo code.

Timeline:
Today- Half reading
Tomorrow- discussion meet- late morning, later half of reading
Day after tomorrow- meeting- final discussion and making presentation
